

## Sleek, contemporary style for your short and extra short bed truck

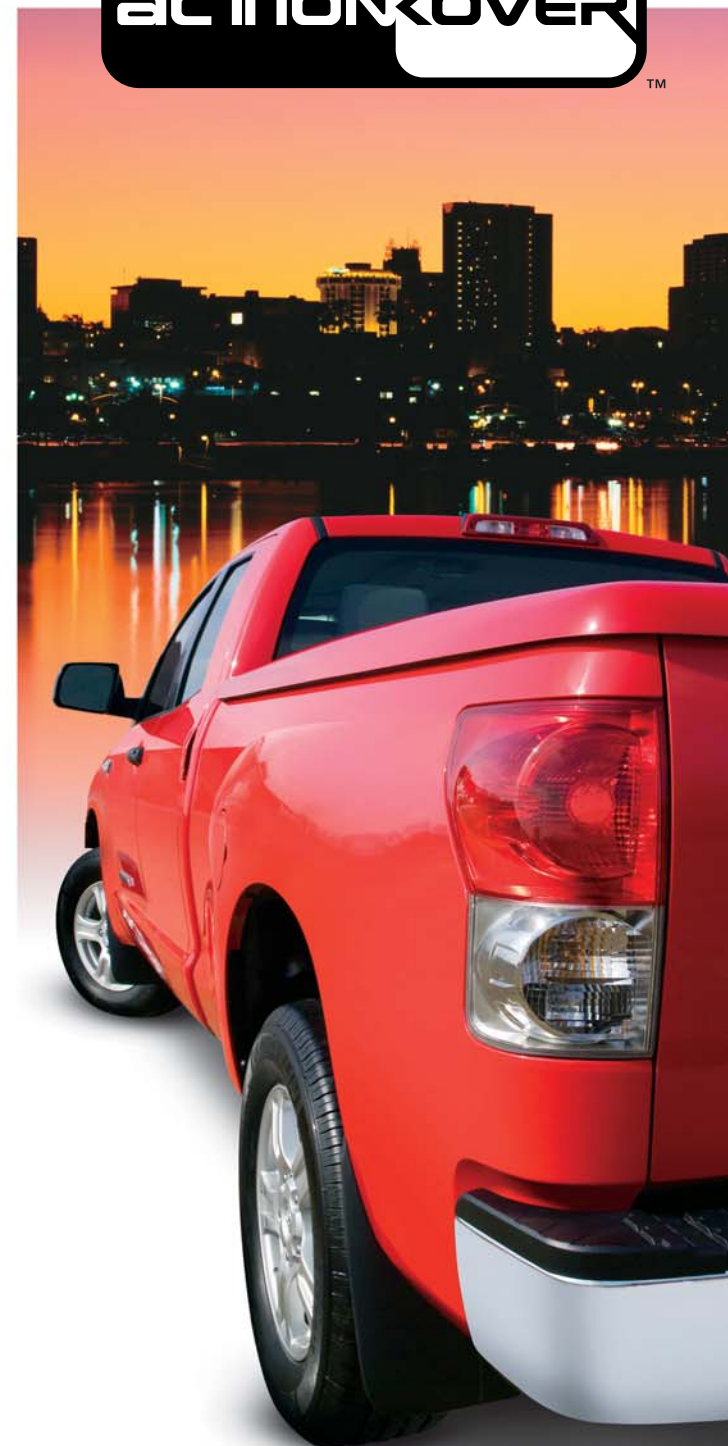

ActionKover's™ sleek, contemporary styling, tight, secure fit and superior color-matched paint will dramatically enhance the look of your truck and can be installed or removed in minutes. The ActionKover will add beauty to your truck, provide a water-resistant and secure storage area for your cargo and increase your vehicle's gas mileage by reducing wind drag.

The easy-to-install adjustable mounting clamps can be installed without drilling, screws or adhesives. The aluminum base rail system ensures quick and accurate installation every time.

1. Aluminum base rail system ensures quick and accurate installation every time—without drilling, screws or adhesives.
2. Exclusive lift assist system provides easy opening and closing by absorbing the stress exerted by the gas struts within the system.
3. Attractive palm handle design houses the keylock, offering protection from scratches and chips.
4. Heavy-duty hinges allow for smooth, durable lifting.

**ActionKover™** warrants to the original purchaser all fiberglass tonneau covers to be structurally free from defects in material and workmanship for three years. The painted finish of your fiberglass tonneau cover is covered under warranty against defects in workmanship and abnormal fading. See your ActionKover dealer for the complete warranty statement.

**The ActionKover™ design complements any truck model.**
